PRINTER CONSUMABLES RECYCLING

Fulfilling Your Duty of Care

We collect and recycle all brands and models of printer consumables for recycling.

Using our simple online portal, you can request, manage and review your recycling services.

Why Choose Us

We are committed to zero-landfill. Your used and unwanted printer consumables are either remanufactured for re-use or put through our on-site raw material recovery process, at our recycling facility in Oldham, UK.

It is your responsibility to recycle properly and we are the ideal solution for all printer consumables.

YOUR RECYCLING SOLUTION: ONE BOX ALL BRANDS

LET US TAKE CARE OF YOUR RECYCLING RESPONSIBILITIES...

01

Go to the recycling website

Register for your account and browse our recycling services. You can add and save multiple addresses to manage more than one location.
